Prosperity Affirmation by Ernest Holmes

Today I expect every good thing to come to me, for I know that Divine abundance is forever manifesting itself in my affairs. I am keeping my whole mind and thought and expectation open to new experiences, to happier events, to a more complete self-expression.

Everything that belongs to Spirit, I accept. Everything that partakes of the nature of Divine Reality, I claim as my own. I identify with success, and I prosper in everything I do.

As I give thanks for the good now flowing into my life, I gladly share that good with others. The more I give, the more I receive. I experience a deeper consciousness of peace and security, for I know that I am in the embrace of a warm, loving Presence forever seeking an outlet through me.

My cup runneth over! I exist in limitless possibility.

How the Unexpected Income Program Works

To set the Law in motion, **begin and end every day with the Prosperity Affirmation.**

Our practitioners will work daily for all participants in the program. Together, we support each other and make wonderful demonstrations of our new awareness! Then, share a dedicated portion (any percentage) of your choosing off the top as a gift to the Center for Spiritual Living Long Island. Please write "Unexpected Income" on your check or donation envelope. By raising our consciousness of the Infinite Source of Good around us, the program works through the Law of Mind.

The Unexpected Income Program begins on March 31, 2019 and will continue through June 4, 2019.

To be included in this prosperity program, return the attached form to Center for Spiritual Living Long Island. Keep the treatment for Prosperity handy and repeat it twice each day. Sign up today!

The Elements of Prosperity

Prosperity is the consciousness of God's rich abundance surrounding, supporting, and constantly supplying our every desire. We accept this consciousness most easily when we make the following a part of our lives:

Giving – We return a portion of all we receive to the person, place, institution or organization from which we receive our spiritual inspiration and education. This is a means of acknowledging the true source of our good.

Forgiving – Forgiving releases the past – the judgment, guilt, resentment, and regret that block the flow of prosperity in our lives.

Thanksgiving – Through praise and gratitude we direct our attention to the good that is now in our lives as well as the good we are about to experience. This generates positive emotion and enthusiasm and heightens our interest and commitment.

Setting clear, specific goals – By giving Infinite Mind a mental equivalent of successful accomplishment, we set into motion the spiritual law of cause and effect.

Seeking and finding our divine purpose – When we clearly know who we are and purposely live our divinity, we are experiencing living here and now in the Kingdom of Heaven on earth, as abundant spiritual beings in an abundant spiritual universe.

The Law of Giving and Receiving *By Ernest Holmes*

Everything moves in circles. What goes out must come back. Unless the seed is sown it cannot bear fruit. There must be a planting time for every harvest. Who gives all receives all. Who refuses to give, limits the possibility of the greater good returning to him.

We do not give because God needs the gift, but because the giving increases, broadens and deepens the life of the giver. Nor shall we give from a standpoint of duty. The Universe refuses to bargain with us. It already has given us everything It has. But it also has provided that the gift of life can be received into its fullness only as it flows through us to the fullness of others.

How wonderful is this exact balance which God and nature keep; how perfect is the law of Good and how glorious the opportunity to join with the joy of life!
