**MONTHLY SPIRITUAL MIND TREATMENT**

My word is my consciousness of specific action. It has intention, purpose and meaning. It is the intelligence of the One Mind moving in a prescribed direction for a definite accomplishment. My word is the movement of Spirit knowing where it is going and what it shall do. The power within my word is inexhaustible because it is impelled by infinite energy. I act in complete confidence knowing that my word is self-contained in Intelligence, understanding and power.

My word completes its cycle of perfect expression. I recognize its power and accept its fulfillment. It brings inevitable change and expansion, all of which I accept. I have the consciousness of being its expression. I adjust instantly to the new experience which my word produces, for it is the forward movement of my true being. I have the new ideas that match the new experiences. I am completely oriented in its higher unfoldment.

My word creates the larger expression of that which I am already in consciousness now.

And so it is.

**TREATMENT AT THE OFFERING**

The One Life Divine is always operating in, through and as me. This Life is an expression of total love and givingness. This Perfect Love consecrates my gift as it goes forth to heal, to bless and to prosper all in my world. It is the evidence of my faith and conviction. It does its good and perfect work, and returns to me many times multiplied.

And so it is.

**One Mind One Heart**  
**By Donna Michael**

1

There's so much good that we can do  
It starts when I reach out to you  
When two or more agree it shall be done  
We're never alone we are one

Chorus:

One Mind One Heart  
That's who we really are  
Blessing this world because we believe  
We're One Mind One Heart you and me

2

Can I count on you to help me out?  
Let go of fear, let go of doubt  
Love is the answer love is the way  
Let's know the truth for each other today

Chorus

Can you see what love is calling us to be?

Chorus

**I AM SO BLESSED**
