MONTHLY TREATMENT

I flow forward into this beautiful day as positive confidence in action, knowing that God in me, as me, provides for Itself, as me, abundantly. My inner security and reliance upon the Truth of my being free me to demonstrate health and wealth as my experience.

Love flows forth plentifully from my heart. I honor the Source of my life and place no limit on Principle. I now see and embody unlimited possibilities for positive growth and expansion. I now see new opportunities for service. I am secure because I rely upon the Only Power and the One Presence that is always right where I am.

I am a spiritual being, living in a spiritual universe, having a human experience. All of my joyful self-expression is of the Spirit. I know and accept that the Law of good is forever available to me. I relax and rely upon the Greatness within me. It is intelligent and immediate and always works through me for my good and greater good. Something wonderful is happening now!

And so it is.

Dr. Jay Scott Neale

TREATMENT AT THE OFFERING

The One Life Divine is always operating in, through and as me. This Life is an expression of total love and givingness. This Perfect Love consecrates my gift as it goes forth to heal, to bless and to prosper all in my world. It is the evidence of my faith and conviction. It does its good and perfect work, and returns to me many times multiplied.

And so it is.

One Mind One Heart
by Donna Michael

There's so much good that we can do
It starts when I reach out to you
When two or more agree it shall be done
We're never alone we are one

(Chorus)

One Mind One Heart
That's who we really are
Blessing this world because we believe
We're One Mind One Heart you and me

Can I count on you to help me out?
Let go of fear, let go of doubt
Love is the answer love is the way
Let's know the truth for each other today

(Repeat Chorus)

Bridge: Can you see
What love is calling us to be?

(Repeat Chorus)

OH WHAT A LIGHT!
by Dennis Merritt Jones

This is the moment; all the world comes together as one,
In the light– Oh what a light!
So let your voices ring, in peace and joy we sing –
We see the light, for we are the light.

Repeat 4 times
